**Vision for ISNACC**

Based on the nominated position (No more than 100 words)

**1. Enhancing Collaborative Growth**

As Secretary of ISNACC, my vision is to foster collaboration among Neuroanesthesia and Neurocritical care professionals, promoting knowledge-sharing, innovation, and advancing clinical practices to enhance patient outcomes."

**2. Streamlining Organizational Efficiency**

Establish a streamlined, transparent, and effective communication framework within ISNACC, ensuring efficient management of society affairs, timely dissemination of updates, and active member engagement.

**3. Promoting Education and Research**

I aim to make ISNACC a leading society for education and research in Neuroanesthesia and Neurocritical care, supporting initiatives that nurture young professionals, facilitate cutting-edge research, and organize impactful academic events.

**4. Strengthening Global Networks**

My vision is to enhance ISNACC's presence on the global stage by fostering international collaborations, partnerships, and exchanges that enrich the knowledge and expertise of our members.

**5. Advocating for Patient-Centric Care**

As Secretary, I will work to align ISNACC's goals with patient-centric care initiatives, emphasizing ethical practices, multidisciplinary teamwork, and innovation to improve the quality of care delivered across India and beyond.
