<b>Vision for ISNACC</b>	

Based on the nominated position (No more than 100 words)

1. As an aspiring Executive Member of ISNACC, my vision is to contribute meaningfully to the growth and development of our society, foster academic excellence, and strengthen collaboration among professionals in neuroanesthesiology and critical care.
2. Facilitate the organization of high-quality workshops, conferences, and CMEs
3. Encourage and support young professionals and trainees in neuroanesthesiology
4. Create task forces to address research possibilities in the country
5. Collaborate with global neuroanesthesia and critical care organizations to exchange expertise, participate in multicenter research, and adopt best practices.
