Vision for ISNACC

Based on the nominated position (No more than 100 words)

1. As a Governing Council member of ISNACC, my vision is to elevate the standards of neuroanaesthesia and neurocritical care in India through education, research, and collaboration.
2. I aim to foster skill enhancement by organizing workshops and CME programs on cutting-edge practices like TIVA, TCI, and intraoperative neurophysiological monitoring.
3. Emphasizing innovation, I propose creating robust platforms for research and mentorship, encouraging young neuroanaesthesiologists to contribute to advancements in the field.
4. Strengthening interdisciplinary collaboration and global partnerships will be pivotal to setting benchmarks in patient care.
5. My goal is to make ISNACC a beacon of excellence, uniting professionals to achieve unparalleled clinical outcomes.
